

Mobile Meals Ministry is a once a month meal service provided to anyone in our community needing a warm, dry safe place and hot meal at the Lewis County Gospel Mission. Typically, our meal includes a hot entrée, side dish, salad, bread, beverage and dessert. A team of 6 plans the menu, purchases the food, and prepares the meal, usually feeding about 65-70 guests. Our group also assembles “to go” sack lunches for guests to take with them after the hot meal. Sack lunches include a peanut butter and jelly sandwich, beverage, granola bar, chips/snacks, fresh fruit or fruit/applesauce cup. Several times a year we also provide hygiene products, sunscreen/lip balms, beanies, gloves and scarves, and sox. We serve the 4<sup>th</sup> Saturday of the month, and welcome new volunteers.
