## God vs Evil

**Revelation 4:11-13** *Then I looked, and I heard the voice of many angels surrounding the throne and the living creatures and the elders; they numbered myriads of myriads and thousands of thousands, singing with full voice, "Worthy is the Lamb that was slaughtered to receive power and wealth and wisdom and might and honor and glory and blessing!" Then I heard every creature in heaven and on earth and under the earth and in the sea, and all that is in them, singing, "To the one seated on the throne and to the Lamb be blessing and honor and glory and might forever and ever!"*

As the calendar turns to September, a "new" year begins. Big yellow school buses again grace our roads. The schedule becomes more rigid and less fluid after the vacation filled summer time. Rally/Waffle day will soon be here and the church will also find itself with activities filling the calendar.

The new year does not erase the old. I write this just days after the White Supremacists marched in Charlottesville, VA, and terrorized people of color. Just before those events, someone threw a firebomb through a window of a mosque in Bloomington

Minnesota. It seems that all around us are reports of hate and violence. In days like this, it can be easy to just through up our hands and withdraw.

I often feel powerless in the face of these big society problems. There seems to be lions prowling all around, ready to devour me and I seem to have nothing with which to defend myself. The evil of the world is just ready to swallow me up.

But the lion is not worthy of my fear. It is the Lamb that was slaughtered who is worthy to receive power and wealth and wisdom and might and honor and glory and blessing! The lion's power must bow to the greater power of the Lamb. The evil of this world is no match for the power of our Savior Jesus Christ.

We are the people of God in Christ Jesus and we are the ones who go forth into the world to face the evils that plague it. We may look weak to the world's standards but in Christ we have power to overcome evil with the truth of the Gospel. As we enter this new year, we go confidently in the name of Christ to rebuke evil and proclaim the promise of God.

## Meet Our Newest Ministry Partner in Lewis County: The Gather

The Gather offers a rich variety of services to our neighbors living below the poverty line and usually without a home. Their ministry literally exudes God's presence and blessings. It will be a genuine privilege to be able to participate in it via our proposed coalition.

Not only does The Gather offer a full meal service seven-days-a-week, they also provide:

1. A food bank (BTW, they are always in desperate need of used plastic bags);
2. A clothing bank;
3. Resource counseling (for housing, rent, utilities, etc.) which is very close to – if not the same as - the Navigator system that RISE Lewis County has been interested in establishing;

- **PROCLAIM** God's unconditional love as an invitation to all,
- **GROW** in discipleship as we follow in Jesus' steps, and
- **SERVE** others as instruments of God's Holy Spirit.

4. Hair cuts;
5. Assistance in taking the Food Handlers exam as well as payment for a Food Handlers card. (It is The Gather's policy that all persons handling/serving food at their facility must have a Food Handlers card.);
6. Into the Light - a 12-month program for men who have already completed a short-term inpatient treatment program, are working with the Drug Court, or have been released from prison; and
7. They will soon be offering a childcare center for low-income families

It is critical that all groups involved in our coalition be in agreement with The Gather's basic philosophy of ministry. We have agreed to co-sponsor an orientation and workshop for that purpose. There will be a strong emphasis on developing healthy, personal relationships with those we serve. We might say that – whether we are serving the food or receiving the food - we view each other as equals and are willing to be in mutual ministry to (and with) one another together!

## **Mobile Meals Ministry**

St. Timothy's Episcopal has asked St. Johns poverty ministry (RISE Lewis County) to take over the Mobile Meals ministry. This ministry serves a meal to persons without a home every Saturday. They originally served the meal at the Salvation Army. They have since moved it to The Gather church on Main Street in Centralia.

RISE has agreed to take over the administration of this ministry by developing a coalition of congregations and service organizations willing to serve one Saturday a month. If you might be interested in getting involved – especially on the Saturday that will be assigned to our congregation – please contact Carolyn Schoenborn (carolyns21@tds.net; 360-983-3170) or Al Soderquist.

## **Gods Work. Our Hands.**

“God's work. Our hands.” Sunday is an opportunity to celebrate who we are as the Evangelical Lutheran Church in America (ELCA) – one church, freed in Christ to serve and love our neighbor. Since 2013, thousands of ELCA congregations have participated in this opportunity and dedicated one day to serve communities in

ways that share the love of God with all people.

The date for 2017 is **Sunday, September 10**. We will meet at St. John's at 12:30 and go to SAFE Family Ministries for a work project.

This year we observe the 500th anniversary of the Lutheran Reformation. The ELCA's anniversary theme,

*(continued on page 3)*

## Gods Work . . .

*(continued from page 2)*

“Freed and Renewed in Christ,” reminds us of the gospel’s promise that we are freed in Christ to love and serve our neighbors. This is work that you do every day – serving your community in ways that share the love of God with all of God’s people.

We are a church that rolls up our sleeves and gets to work. Whether your congregation prepares and delivers meals to people rendered homeless to thanking emergency responders, your service activities offer an opportunity for us to explore one of our most basic convictions as Lutherans: that all of life in Jesus Christ – every act of service, in every daily calling,

in every corner of life – flows freely from a living, daring confidence in God’s grace.

The idea for the dedicated day of service is this: ELCA members are called to put their faith into action by engaging in a service activity in their neighborhood, surrounding community or designated area. While service opportunities are end-

less, ELCA members and congregations are invited to conduct their own research opportunities for service that makes sense for their local context and the congregation’s service

capacity. In other words, the idea is to deepen a congregation’s and the member’s experience in their communities and offer a way for congregations to play a critical part in addressing community needs.

Although the designated day of service is targeted to take place on a Sunday, the service day should not be seen as “replacing worship.”

*So if anyone is in Christ, there is a new creation; everything old has passed away; see everything has become new!*  
2 Corinthians 5:17

This year St. John’s will be working at SAFE Family Ministries. For more information about the project, contact Al Soderquist at [al527@msn.com](mailto:al527@msn.com).

### But you’re experiencing a few gimps in your get-along?

Then consider joining Team Gimp-Along for this year’s CROP WALK on October 1 at 2 p.m. We gather pledges just like everyone else, but we ride on a float instead of walking

the miles! The walk begins and ends at the Centralia First United Methodist Church. If interested, contact: Carolyn Schoenborn, 360-983-3170; [Carolyns21@tds.net](mailto:Carolyns21@tds.net).

## St. John’s Women’s Ministries

### Women’s Brunch and Bible Study

The Women’s Brunch and Bible Study meets in the conference room the 3rd Saturday of each month at 10:00 a.m. This year, beginning September 16, we will be using the study *God is in the Laundry Room*. This study will help us see purpose and significance wherever you are in your day. Inspired by the words of Jeremiah 29:13, *when we seek the Lord with our whole heart, we find Him everywhere...*

even in the laundry room. All women of St. John’s are invited to attend this monthly study which challenges you to dig a little deeper, explore a little further and make personal application of the passages to your life.

### Women’s Book Guild

The Book Guild is for ladies of the church who enjoy reading and discussing books with each other. We will meet at 7:00 p.m. on September 26 at the home of Shari Blackwell.

Dixie Roser will lead the discussion on the book, *Magic Hour* by Kristin Hannah.

### Annual Women’s Retreat

This year the retreat is on **Saturday, September 30** at the Jahnsen home on Lake Mayfield (154 Baker Dr., Mossyrock) This year’s retreat is called “Faith, Flicks & Fun.” The retreat will focus on **Faith** in our everyday lives. We will have lots of **Fun** while we watch two **Flicks** to stimulate our discussions around **Faith**. The

day begins with light breakfast snacks at 8:30 a.m. followed by watching our first flick, *The Shack*. After lunch we will watch our second flick, *God's Not Dead 2*. Spread throughout the day will be discussion

questions inspired by the movies. The day will conclude with dinner and the final discussion time ending by 7:30pm. If you are unable to stay the whole day, you are invited to come for part of the time. It is guaranteed that you will have some fun scattered throughout the

day! More information and a sign-up sheet for the retreat will be in the narthex.

## Learning God's Word

Contributed by Marilyn Schmitt

A new school year is beginning so my hope is to inspire new learning. A number of years ago we were encouraged to read the one-year Bible. It is arranged in 365 daily readings. For each day there is a part of the Old Testament, the New Testament, Psalms and Proverbs. If you haven't read the whole Bible, I highly recommend it. There are a number of reading plans including a two- or three-year plan if you want to spend more time. After completing it, I was led to memorize scripture. Learning a number of verses was not easy but has been well worth the effort.

Now I know you are thinking that you can't memorize, or have memories of being forced to memorize in school. I chose the verses that spoke to me personally. My first verses were to overcome fear and worry. God's Word has a lot to say about "fear not." Thinking peaceful thoughts does not always come automatically. The Word of God instructs us in how to think correctly which influences the way we live.

I learned several verses on a topic to help tie the verses together. I kept the verses by my reading chair and repeated them several times a day only looking when necessary. I learned the reference numbers so I knew

where they were located. After successfully saying the verse several times, I would move to another.

I have found that the secret to lasting memory is to review each verse daily for a few months. It only takes a few minutes. Learning God's Word will help you share your faith and give you peace and hope. We can hold on to God by holding on to His promises.

*Let the peace of God rule in your hearts.* Colossians 3:15  
*And set your minds and keep them set on what is above.* Colossians 3:2

## My Holden Village Experience

Contributed by Brad Meagher

Holden Village is roughly 40 miles northwest of Chelan. There are two ways to get there. The first is to board the *Lady of the Lake* boat in the city of Chelan for a two-hour boat ride to Lucerne. The ferry then drops you off in front of an old school bus that will carry you the rest of the way, up a windy dirt road to the Holden Village conference center. It's a pleasant ride.

The other way to get to Holden is to drive through Darrington to the Sulphur Creek trail head; then hike 40 miles

across two passes. If you take the scenic route, and detour to Image Lake, you gain an extra 3,400 feet in five miles, and it adds ten miles to the hike. It's a pretty grueling trek, but the view is spectacular!

I recently guided five young men, two young ladies (sisters of the young men) their parents and a very good friend of mine on this little five-day walk in the woods. Holden serves ice-cream cones - only \$1.50 for a two-scooper. For five days I urged these intrepid explorers on with promises of ice-cream. Ice-cream is a great motivator,

especially when we inadvertently chose to hike during the hottest weather on record. Oh, and we had to pick our way through a forest fire to get to Sulphur Creek.

And Holden didn't disappoint. We all had three ice-cream cones apiece.

That 3,400 foot climb up to Image Lake was physically demanding. But the entire route was bathed in the glory of Glacier Peak. The whole time I was struggling up the myriad of switchbacks, God reminding me of Psalm 121, 1-2: *I lift*

(continued on page 5)

## Holden Experience. . .

(continued from page 4)

up my eyes to the hills, from where does my help come? My help comes from the Lord. There's nothing

like physical pain, complete exhaustion and the most beautiful view in the Cascades to remind you who God is.

The Lord got me to the top;

I puked when I got there. Hey, backpacking is a blast! I highly recommend it.

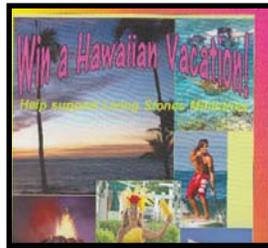

Or you can just take the boat.

## Living Stones Prison Ministry Raffle

Aloha from Pastor Norm Arnold! We are excited about raffling a Hawaiian trip as a way to help support the Living Stones Ministries. Whether this trip be used to go to a favorite vacation spot, celebrate a milestone anniversary, gift someone with a special trip, or simply get away from the busyness of life for a few days, all will probably want to buy a ticket or two for the opportunity to win this trip.

The \$5,000 trip to Hawaii will be tailored personally for the raffle winner. They may choose their island,

accommodations, airfare, activities, and how many people go on the trip - all within the \$5,000. All proceeds will support and benefit Living Stones Ministries.

Tickets are now on sale through the end of September for \$10 each or 6 for \$50. Bishop Rick Jaech will draw

the winning ticket on Thursday, October 12 at 1 p.m. in the SWWA Synod Office (you need not be present to win). The winner will be announced on our web site and via a Mail Chimp announcement.

Your help is needed to help make this fundraiser a success for our ministry. Because Living Stones is a joint ministry of all congregations of our synod, each congregation is asked to participate in and support the raffle. See Linda in the church office to purchase tickets – someone has to win!

## Supporting Living Stones Prison Ministry

St. John's is scheduled to worship with the men of the Living Stones Prison Ministry at the Shelton Correctional Center on September 16. We are limited to 10 guests. There is a sign-up sheet in the narthex or call the church office, 360-748-4741, if you would like to be part of this worship experience. Linda will contact you for the additional information needed to worship with the congregation.

You can also help support the Living Stones 180 Project with donations. We will be taking donations with us on September 16.

# Bits and Pieces

## STP Results

St. John's 2017 hosting of STP riders was a great success. We hosted 94 guests -- several of whom were spouses of riders. We also had 8 people who paid but did not attend nor request a refund by the deadline.

We took in \$5,610 in reservations, \$105 in donations from riders and \$150 in leftover food purchased by members. The grand total was \$5,865.00.

## Thank You . . .

### Dear Sue and the Wonderful Congregation at St. John's Lutheran Church,

Thank you so much for the excellent hospitality you provided us poor STP riders! Your kindness and graciousness was a wonderful example of Christian love. Thank you for being the hands and feet of Jesus to so many bicyclists! God Bless and Keep You,  
*Beth and Jeff Sloane*

### Dear St. John's Lutheran Church,

We finished our first STP ride! We could not have done it without your support. From the moment we arrived we were greeted with a friendly smile from Sue to warm showers, comfy beds and delicious food. Every little detail was taken care of and we sincerely appreciated it. We wanted to express our gratitude with an extra donation for all your time and hard work (\$100)

Thank you! I wish I could say we will see you next year but although it was fun, the roads and crowds were a little much. We live in Southern Oregon and travel once or twice a year to Western Washington to visit family. If we are ever passing through on a Sunday, we will stop by for a service or even for the Civil War reenactment! Both my husband and son love history. My son wants to be a history teacher (he is a junior in

high school). Thanks again for your warmth and love. We will remember you forever.

Love, *Traci and Jeff Olson*

### To St. John's Lutheran Church,

On behalf of our community, The Preserve at Tumwater Place located in Tumwater, I would like to personally thank you for loaning us tables and chairs to our National Night Out/Block Party raffle which was held on Tuesday, August 1, 2017. The event was a huge success thanks in part to donors such as yourselves. Please be assured that you were given proper recognition for your generous contribution. Thanks again for your support!
